ROAD RUNNER

RR477X UHF CB TRANSCEIVER

NEW MODEL IMPROVED PERFORMANCE

The Roadrunner compact, full power handheld UHF CB transceiver offers high performance at an affordable price. Advanced ergonomical design, rugged construction and surface mount technology ensure long life and reliability in a very small size.

- Functions not found on other transceivers include:
- High/low output power control to ensure maximum battery endurance
- Channel scan - ensuring all channels are continuously monitored
- Lockout function to eliminate unwanted channels from scan schedule
- Channel Priority - ensuring priority channel
- Electronic channel control - switching band to non-miniature channel switches
- User selectable compatibility for repeater operation

Units are fitted with plug sockets(box) for external speaker, speaker microphone, charger, and antenna.

Supplied with quarter wave antenna, Rapid battery, AC charger, carry case, and belt clip.

- Full range of accessories including:
  - Gooseneck Microphone
  - Rapid Battery Charger
  - Vehicle Adaptor
  - Communications Headset
  - Speaker Microphone
  - Communications Headset
  - CTCSS Board
  - Spare Batteries are available
  - QCTC approval # 2000875

SPECIFICATIONS

TRANSMITTER

Frequency Range: 476.425 - 477.425 MHz
Channel Spacing: 25kHz
Output Power: 0.5W (low power) 5W (full power)
Frequency Stability: ±2.5 ppm
Frequency Deviation: ±5kHz (wide band)

RECEIVER

Sensitivity: 20dB for 12dB SINAD
Image Rejection: 70dB typical
Audio sensitivity: 400 mV (wide band)
Current Drain: 30mA (power saver mode)

GENERAL

Power Source: 9V/2.4 Ah nickel-cadmium Rapid battery
Dimensions: 58 (W) x 32 (D) x 120 (H) mm
Number of accessories: 28
Number of channels: 40 (expandable to 80 channels)
Microphone Type: Electret
Antenna Type: Quarter wave whip
Scan Method: Full Call, All Busy/Free
Weight: 310 grams (incl battery pack)

Customers are urged to check the compliance plate of all transceivers by ensure they are purchasing QCTC approved equipment from the authorised importer. Ring up for the name of your local dealer. Access Communications will not warrant imitations of this product.
